

8th Grade Science Agenda- Mrs. Sharon

Week of April 3, 2017

Day	In Class Learning Targets	Homework
Monday 4-3	<p style="text-align: center;">Block (3, 7)</p> <p>Focus Questions: What causes objects to move or stay still?</p> <ol style="list-style-type: none">1. Picture Walk and Talk: Read p.36-39 in textbook: The Nature of Force2. Guided Reading and Study Notes3. Chapter 2 Forces Vocabulary (Glue into Notebook p.43)4. Mythbusters Clip: Force & Motion5. HW-The Nature of Force Review and Reinforce WS	<p>Finish HW</p> <p>Complete Motion Mini-Books for Navigator Students by Friday.</p> <p>You need your laptop next class!</p>
Tuesday 4-4	<p style="text-align: center;">Block (4, 6)</p> <p style="text-align: center;">See Monday</p>	
Wednesday 4-5	<p style="text-align: center;">Block (3, 7)</p> <p>Focus Question: What factors determine the friction force between two surfaces?</p> <p>Check: Review and Reinforce</p> <ol style="list-style-type: none">1. Picture Walk and Talk:Read p.42-45 in Text: Friction2. Guided Reading and Study Notes3. Chapter 2: Friction Vocabulary (Glue into Notebook p.44)4. Forces, Friction and Motion Activity Packet https://phet.colorado.edu/en/simulation/forces-and-motion-basics	<p>You need your laptop!</p> <p>Finish any work not completed in class.</p> <p>Complete Motion Mini-Books for Navigator Students by Friday.</p>

Thursday 4-6	Block (4, 6) See Wednesday	Mrs. Sharon out for Science PD
Friday 4-7	See All Classes/Early Dismissal Check: Internet Activity Packet Pass Back Papers 1. Mini Schedule (20 min classes) 2. Pathfinder Madness	Official End to Q3

Reflections: Please mark an X along the line to indicate your level of understanding.

MS-PS2-2 I can explain how balanced and unbalanced forces are related to an object's motion.

I cannot YET
can!

I think I can...

I know I

Evidence:

MS-PS2-2 I can predict an object's motion based on the direction and strength of the forces acting on that object..

I cannot YET

I think I can...

I know I can!

Evidence:

MS-PS2-2 I can name and explain the difference between the four types of friction.

**I cannot YET
can!**

I think I can...

I know I

Evidence:

MS-PS2-2 I can describe which factors determine the friction force between two surfaces.

I cannot YET

I think I can...

I know I can!

Evidence:
